The new flight service was inaugurated at Mysore Airport at Mandakalli this morning by Mysuru District Minister G.T. Devegowda, Tourism Minster S.R. The new flight was sanctioned to Mysuru by Central Government under the third phase (UDAN 3.0) of its Regional Connectivity Scheme (RCS) or UDAN (Ude Desh Ka Aam Nagarik) Scheme.

The Alliance Air (a subsidiary of Air India) flight to Bengaluru will operate five days a week – Monday, Wednesday, Friday, Saturday and Sunday. It will be a 70-seater ATR-72 flight and will take 55-minute journey from Mysuru to Bengaluru.

# Nipah scare: Surveillance unit set up at Bavali check-post

**Screening units will be established at Zoo, Mysore Palace and Chamundi Hill**

Mysuru, June 7 (MTY&SR)- Following Nipah virus outbreak in Kerala and a high alert being sounded across eight districts in Karnataka bordering Kerala including Mysuru, District Health Officer Dr. Venkatesh said that Health and Family Welfare Department has taken all precautionary measures to prevent the spread of this disease.

Speaking to reporters at his office in city this morning, he said that Mysuru is on high alert as hundreds of tourists and visitors enter Karnataka via Kerala every day for various professional and tourism reasons. A surveillance unit has been set up at Bavali check-post in H.D. Kote taluk to screen persons suffering with Nipah symptoms. All the vehicles entering Karnataka will be screened.

"From now on, three samples (blood, urine, and throat swabs) from suspected persons will be collected and will be sent to National Institute of Virology (NIV), Pune," said Dr. Venkatesh.

A team of six-member expert doctors and other staff led by H.D. Kote Taluk Health Officer Dr. Ravikumar are examining suspected cases at Bavali and they will screen the suspected for the next 21 days or until further orders. The Department will also set up surveillance units near Mysore Zoo, Mysore Palace, Chamundi Hill and other prominent tourist spots.

# Lightening learning

**The Right of Children to Free and Compulsory Education Act or Right to Education Act, enacted by the nation's Parliament on August 4, 2009, describing the modalities and importance of *Free and Compulsory* education for children between the age of 6 and 14 years in the country under Article 21A of the Indian Constitution, joining 135 countries to make education a fundamental right of every child, being implemented in fits and jerks, as in Karnataka, has reportedly left a bewildering number of children in the State out of school. The central point of the historic policy is that *"Free Education"* means *no child*, other than a child who has been admitted by the respective parents to a school which is not supported by the Government, shall be liable to pay any kind of fee or charges or expenses which may prevent him or her from pursuing and *completing* elementary education. *"Compulsory Education"* casts an obligation on the Government and local authorities to provide and ensure admission, *attendance* and completion of elementary education. Schools are required to set apart 25 percent of their intake for children under the Act. The fallout during the years of action under the Act doesn't portray that all is well with the target sections of the child population.**

**The land's urban population, being a mix of parents who have the wherewithal to send their children to schools of their rating and the rest, neither having income enough to meet the costs of educating their children nor believing in sending their children to schools, doesn't seem to be in a happier position than their rustic counterparts.**

**The nuances of educating the land's children, ostensibly to mould them as adults with capabilities of meeting life's challenges, individually and collectively to sustain the nation's progress, or in other words *"To be able to stand on their own legs"* don't seem to be making any headway over years. The diversity of tongues and faiths of the land's masses, marked by fanatic outlook of people driven by vested interests across the country surcharged with emotion and irreconcilable demands from the administration has only led to endless debates on what is most appropriate to be taught in the schools. Even as the debates are generating more heat of rhetoric than light of action, the issue of *weight* of the school bag has cropped up after a long pause, since the days it was debated in the country's Parliament decades ago.**

**Views continue to be expressed by persons with credentials accepted in society while the authorities have reportedly decided on the weights of school bags carried by children in specific classes. There are no reports of either the children being involved in the decision process nor their say, one way or the other. They may like to have education *free* from carrying weighty bags.**

### Traffic agent fines woman driver for 'Excessive Beauty'

Paysandú: An unnamed traffic agent in Uruguay used an official document for unauthorized purposes, after it was revealed that he tried to impress an attractive female driver by issuing her a ticket for 'excessive beauty on public roads.'

The incident last month in the Uruguayan city of Paysandú. An unnamed traffic agent allegedly stopped a female driver and impressed by her physical looks, he proceeded to write her a ticket for 'imprudence while driving (excessive beauty on public roads).' To make his intentions obvious, the public servant also wrote 'I love you' in the 'observations' section of the ticket. He was just trying to be cute and never imagined that the stunt could land him in hot water, but after the ticket was posted on social media and quickly went viral, his superiors started an investigation.

### Hunger strike in front of former girlfriend's house

Kolkata: A young man is on a hunger strike outside his ex-girlfriend's home and refused to eat until she agreed to marry him. West Bengal's Ananta Burman was in a stable relationship for eight years, but recently, his girlfriend cut off all communication, refusing to answer his phone calls and WhatsApp messages, as well as blocking him on social media. Ananta figured that something was wrong, so he did some investigation and learned that his girlfriend's family had agreed to marry her off to another man.

Realising that he had little time before he loses his girlfriend forever, the young man decided he had to do something extreme to get her back and hence he camped outside the girl's house in Dhupguri and went on a hunger strike.

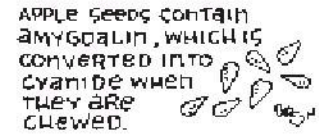
### Can eating too many apple seeds be fatal?



Apple seeds contain trace amounts of hydrogen cyanide. You would have to eat about 200 apple seeds, or about 40 apple cores, in order to receive a fatal dose of cyanide. The toxic compound is found in seeds and pits of fruits, apricot pits containing the highest amount of cyanide.

# Provide brief commercial stop for Mysuru-Ajmer Express at Kengeri

Sir,

Train number 16209/16210 Mysuru-Ajmer Express runs as a Weekly train with stops only at Mandya, Ramanagaram, Bengaluru Station and then continues on Hubballi-Miraj-Pune-Vadodra-Ahmedabad route till Ajmer.

The train thus provides a vital connectivity on Bengaluru-Pune section upon commencing its journey from Mysuru but only without a commercial stop at Kengeri. Such a move has only caused an inconvenience to long distance travellers intending to board at Kengeri Railway Station itself.

It should be further noted that this is the only non-superfast category express train that doesn't have a commercial stop at Kengeri Railway Station. Otherwise all the other non-superfast category express trains operating between Bengaluru and Mysuru have a commercial stop at Kengeri while benefiting the many passengers.

As Kengeri is now an important sub-urban station and acts as a crucial gateway to connect to Mysuru, it is high time now that the Bi-Weekly Mysuru-Ajmer Express is provided with a brief commercial stopover here. Further the passengers will be rightly benefited to be connected to long distance cities like Miraj, Vasai Road, Surat, Pune, Ahmedabad, Baroda etc., through this train's stoppage at Kengeri and will further help ensure the Railways to de-congest Bengaluru Railway Station to an extent.

I urge the South Western Railway authorities at Mysuru Division to consider a brief commercial halt to train number 16209/16210 Mysuru-Ajmer Bi-Weekly Express at Kengeri Railway Station.

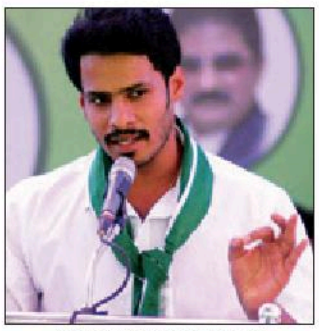
# Is Nikhil inclined to contest Assembly polls from Mandya?

## HDK's son fuels speculation with poll-ready advice to JD(S) party cadre

Bengaluru/ Mandya, June 7 (BCT)- Is Nikhil Kumaraswamy inclined to contest the next Assembly elections from Mandya? This question is doing the rounds in Mandya political circles and is being actively discussed at villages and street corners. And as if to give credence to such a question, Nikhil has asked JD(S) workers to prepare for Assembly elections which may take place any time.

In a fresh twist to the blow hot, blow cold relationship between the Congress and JD(S) in Karnataka, a video of Nikhil, Chief Minister H.D. Kumaraswamy's son, requesting JD(S) party workers to prepare for elections has emerged and has been widely shared in social media. He even goes to the extent of saying that he will buy two acres of agricultural land in Mandya and settle there and work at grass-root level with party workers.

After suffering a humiliating defeat at the hands of independent Sumalatha Ambarish in



*Nikhil Kumaraswamy*

Mandya Lok Sabha seat, Nikhil has taken the defeat in his stride and visited Mandya with the resolve to strengthen the JD(S) in the district. He has made up his mind to work at the ground level to win the hearts of people so that he can win the Assembly elections easily.

The 42-second video shows Nikhil interacting with the party workers. He says, "Be ready to face the interim polls any time." The video clipping has been uploaded by Sunilgowda Dandiganahalli on his Facebook wall. But there is no information on where and when the video was recorded.

"We may have to go to polls at any given time," Nikhil purportedly says in Kannada while interacting with party workers. "It may be a month, a year or two. We must be ready for any situation that is presented to us. We must begin to work on it now."

In the video, Nikhil is heard assuring party workers that the coalition government will serve out a full term. "There is no doubt Kumaranna (Kumaraswamy) will complete his term as Chief Minister," Nikhil says. "You get tensed over reports in the media (that the government will fall), but it is not like that. We know what is happening inside (the government). Do not lose hope after watching media speculations. Kumaraswamy will run (the government) for the next four years. But still, I want you all to be ready to face elections at any point of time."

Nikhil has been visiting Mandya often after his Lok Sabha debacle and is responding to the problems of the people. "Very soon I will buy two acres of agricultural land in Mandya and stay here. I don't need a house. Even a shed is fine for me. I will be amidst you," he told party workers amidst loud cheer.

Nikhil's words have set off speculations that if at all the Assembly elections are declared, he will contest from any of the eight Assembly Constituencies in Mandya. Sources said that Nikhil has already started ground work to contest. His entry to the fray in Lok Sabha polls was sudden and gave him less time to canvas and connect with the people.

Though the entire JD(S) machinery rallied behind him, Nikhil did not win the Lok Sabha elections. Sources said that Nikhil does not want the same to happen in the Assembly elections if at all it is inevitable due to uncertainty in the coalition government.

He wants to be amidst people and establish a relationship with them so that it can be a cake walk for him, sources said.

# Anitha slams media; dares journos to contest polls

## MLA's visit to Ramanagaram comes after social media posts asked her *Anithakka yellidira?*

Ramanagaram, June 7- Close on the heels of Chief Minister H.D. Kumaraswamy saying he is thinking of bringing a law to control the media for portraying politicians in bad light, his wife and Ramanagaram MLA Anitha Kumaraswamy yesterday hit out at the media for what she called "negative coverage" of Kumaraswamy's intended *Grama Vastavya* (village stay) programme.

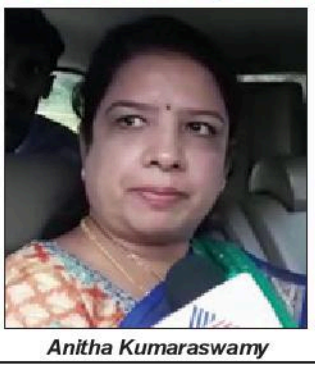
"You (electronic media) only point out mistakes," Anitha told reporters in Ramanagaram. "You have lost all credibility. You people don't know how difficult it is for politicians to deliver. You should try contesting Gram Panchayat elections and see how much it takes to fulfil the aspirations of the people," she charged.

Continuing her tirade, Anitha said, "Even Anna (Kumaraswamy) is upset by negative media coverage. You ask irritating questions. Why should we always speak to media," she asked.

She said some villages where Kumaraswamy had stayed have seen development and some haven't. "There are a lot of positives about the *Grama Vastavya* programme Kumaraswamy undertook in 2006-07 but they are not being highlighted," she said.

Anitha's visit to Ramanagaram came in the backdrop of social media posts with the caption *Anithakka yellidira?* (Anitha sister, where are you?). She hasn't visited the Constituency after winning the by-polls late last year. She had contested from the segment after Kumaraswamy, who had contested and won from two Constituencies in the 2018 Assembly polls, vacated the seat.

"I came here now as the model code of conduct was in place so far. What is wrong in that? You please stop finding fault in everything. We do work at ground



*Anitha Kumaraswamy*

level. I challenge media persons to contest in Gram Panchayat election and win. Then you will realise the difficulty. Yes. Sometimes it becomes difficult to fulfil election promises because they take time. But we try our best to fulfil most of the promises," she said.

For a question from reporters will she follow her husband's footsteps in *Grama Vastavya* at her Constituency, the MLA said that it would be difficult for women to stay in villages.

"However, I will think about this and even request the CM to hold *Grama Vastavya* at Ramanagaram," she said.

## Diamond Jubilee of The Mysore Merchants Co-operative Bank Ltd.

# Meritorious students and sports achievers feted

Mysuru, June 7 - Marking the Diamond Jubilee celebrations of The Mysore Merchants Co-operative Bank Limited, meritorious students of the members of the Bank and sports achievers were felicitated at a programme held at Shivarathri Rajendra Bhavan in JSS Hospital premises here on Wednesday.

Speaking after inaugurating the programme, University of Mysore (UoM) Vice-Chancellor Prof. G. Hemantha Kumar said the Merchants Co-operative Bank was started with a dynamic vision by Ragimandi Chowdaiah, an exceptional co-operator, in the year 1959 and it is delightful to note that the Bank has grown by leaps and bounds over the years due to professional management and committed staff.

Pointing out that the Bank also reciprocates to the needs of the society during natural calamities by donating liberally to the Chief Minister's Relief Fund, Prof. Hemantha Kumar observed that it was important to encourage talented students.

Former Principal and noted humorist Prof. M. Krishnegowda, who was the guest of honour, said that upon seeing the talent in the present day generation, it can be easily said that the country has a bright future.

Maintaining that acquiring knowledge was far more important than earning money and having power, he said that the students must focus on updating their knowledge and practicing morality and ethics.

Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji, who graced the occasion, said that the children of our country were hard-working and this reflects our rich culture.

Noting that even a most advanced country like America has realised the talent and potential of Indian students, the Seer opined that there should be more platforms for talented children to exhibit their skills.

Complimenting the functioning of the Bank and its social responsibility, the Seer blessed the children for a good future.

"As of now, no Nipah case has been reported in Mysuru. All government and private hospitals have been instructed to transmit details of fever cases instantly to the Department. Once a patient shows symptoms of Nipah, hospitals have to monitor acute encephalitis syndrome, check all vital parameters and take travel history of patients. Venkatesh further said that the department has taken all measures to monitor daily incidence of infectious disease cases reported as in-patients in both government and private hospitals. Private hospital managements have been directed to share information immediately to the Department on daily basis.

He said that Department has also equipped with two isolation wards at K.R. Hospital and has stocked up adequate personal protective equipment, drugs and life-saving equipment such as ventilators to deal with the cases. Directions have also been to all hospitals to ensure standard infection control practices including surface cleaning, disinfection and hand hygiene, he added. The district administration will print handbills in all three languages -- Kannada, English and Malayalam -- to spread precautionary measures among the people and it will be distributed in villages bordering Kerala and entry points to Karnataka, he added.

# Mysuru-B'luru flight takes off

**(Continued from page 1)**

### Flights to Kochi, Goa, Belagavi

The good news is that the Ministry of Civil Aviation has approved two routes from Mysuru to Goa and Kochi. MP Pratap Simha said that two more flights to Goa and Kochi (Air Alliance) will become operational this month or in July. Both the routes would be operated under UDAN.

The commencement of the Mysuru-Goa and Mysuru-Kochi flights is expected to boost tourism in the region. There had been a demand from the tourism bodies to operate flights on these two routes for quite some time, he said.

In January, the Civil Aviation Ministry awarded 235 routes under the UDAN 3.0. Four airports in the State — Bengaluru, Belagavi, Kalaburagi and Mysuru — have been chosen to operate flights under UDAN 3.0. When the announcement was made, Belagavi bagged the bulk of the routes as it has got 13 routes.

Mysuru had bagged five routes which are to Goa, Kochi, Bengaluru, Belagavi and Hyderabad. Of these, three routes have already been approved by the Ministry of Civil Aviation. Ghodawat, Alliance Air, InterGlobe, Air Odisha, SpiceJet, Turbo Megha are among the selected airlines.

### Passengers elated

The new flight from Mysuru to Bengaluru has elated passengers. Madhu of Vidyaranyapuram who is a frequent flyer to Goa due to his telecom business said that he used to take a taxi to Bengaluru airport by shelling out Rs. 2,500 to Rs. 3,000 and spending over four hours in a car. "Now I can pay less and reach Bengaluru Airport in one hour," he said.

Similar sentiments were echoed by Gowtham, a cloth merchant from city who said that the flight will help people to take connecting flights to many destinations. "If Goa, Kochi, Hyderabad is added, it will be a real boon to passengers," he said.

### Airport expansion

Speaking after inaugurating the flight services, G.T. Devegowda said that the State Government will expand the airport so that it can handle bigger flights. "Over 280 acres of land is required for the expansion and the responsibility of land acquisition has been handed over to Karnataka Industrial Area Development Board. The issue is that farmers are demanding Rs. 2 crore per acre and we are negotiating with them," he said assuring all cooperation from the State government.

MP Pratap Simha said that the Centre has already allocated Rs. 700 crore for airport expansion. "Now it stands on 498 acres and we require 280 acres for 2.8 km runway expansion and other allied facilities. The airport that was a grazing land for cows and buffaloes till 2016 has seen activity after the PM Narendra Modi government launched UDAN scheme," he said.

MUDA Commissioner P.S. Kantharaj, Mayor Pushpalatha Jagannath, MCC Commissioner Shilpa Nag, City Police Commissioner K.T. Balakrishna, Superintendent of Police Amit Singh, Manu Anand of Alliance Air, Mysore Airport Director R. Manjunath, representatives and office-bearers from Mysuru Chamber of Commerce and Industries, Mysuru Travel Association and Hotel Owners Association were present.

# Rs. 3 crore deficit budget for University of Mysore

Mysuru, June 7 (RKB&DM)- The Academic Council meeting of the University of Mysore (UoM) held at Crawford Hall this morning was witness to a long debate concerning M.A. (English) admission at UoM's Dr. B.R. Ambedkar Post-Graduate Centre in Chamarajanagar.

Centre Director Prof. Shivabasavaiah, with support from some of the Council members, raised objection to UoM's unilateral decision on hiking the eligibility marks for M.A. (English) from the existing 40 percent to 45 percent (for SC/ST) and from 45 to 50 percent for General category students, which has resulted in the closure of the English PG Department at the Centre.

Maintaining that the five percent hike in the qualifying marks had rendered injustice to students from backward Chamarajanagar district, Prof. Shivabasavaiah questioned the UoM's decision to hike the qualifying marks only for admission to M.A. (English) while keeping the qualifying marks for other M.A. courses unchanged.

Replying to the issue, Vice-Chancellor Prof. G. Hemantha Kumar said that the University will form an Academic Council Sub-Committee to look into the matter and other aspects concerning the Chamarajanagar PG Centre.The University Budget for the year 2019-20 was presented with a deficit of Rs. 298.48 lakh.

Prof. Lingaraj Gandhi, Registrar (Administration), Prof. K.M. Mahadevan, Registrar (Evaluation) and Council Members were present at the meeting.

# Jagan Reddy to have not one, not two but five Deputy CMs !

Jagan Mohan

Amaravati, June 7- In what could be an unprecedented move, Andhra Pradesh Chief Minister Y.S. Jagan Mohan Reddy today decided to have five Deputy Chief Ministers under him in a full 25-member Cabinet.

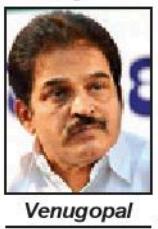
The new Council of Ministers will be constituted at a public function here tomorrow. The Chief Minister held a meeting of the YSR Congress Legislature Party at his residence here in the morning where he announced the decision to appoint five Deputy Chief Ministers.

Accordingly, one each from SC, ST, BC, minority and Kapu communities would be made Deputy CMs. He also told his legislators that the Cabinet would predominantly comprise members from the weaker sections, contrary to expectations that the Reddy community would get a lion's share.

He said the Cabinet would be reconstituted two-and-a-half years later after a mid-term review of the Government's performance. In the previous N. Chandrababu Naidu government, one each from, Kapu and BC communities was made Deputy Chief Minister.

Jagan's decision to have five Deputies is seen as a revolutionary step that is aimed at keeping those communities in good humour. Jagan made it clear that the entire State has been watching the State Government very keenly and every step must be careful. He opined that he has to bring many changes in the governance for implementation of the welfare programmes.

# Cong. leaders demand sacking of Venugopal



Venugopal

Bengaluru, June 7 (KMS&DM)- Even as the Congress is struggling to put its house in order post the drubbing in the LS polls, senior Congress leaders have demanded the sacking of Congress Party in-charge of Karnataka, K.C. Venugopal.

Maintaining that Venugopal had little knowledge on the ground realities of politics in the State, the leaders accused him of failing to address the Party's internal issues and his incapability of organising the Party in an effective manner through new measures.

Also charging Venugopal of inaccessibility, senior leaders have urged the Party High Command to immediately replace K.C. Venugopal with some other charismatic leader who can forge unity among warring State Congress leaders.

Trent Bridge, June 7- Defending champion Australia registered their second successive win in this edition of the World Cup with an exciting 15-run win over former champion West Indies in a closely contested match in the 2019 ICC World Cup game played at a full house in Trent Bridge on Thursday. Exceptional performances by Australia's all-rounder Nathan Coulter-Nile, fast bowler Mitchell Starc and Steve Smith helped Australia's cause.

**West Indies falter**

West Indies had their chances of pulling out an upset win but faltered when it mattered most and let go the initiative with some sloppy catching in the field (dropping Smith & Nile early) and while batting some irresponsible shots by their well settled batsman spoilt the show.

Winning the toss and electing to bowl, West Indian fast bowlers impressed and bowled a tight line and used the short stuff well and made early inroads in the Australian batting line-up. Australia were struggling at 79

for five at one stage, with their top order batsman Warner (3), Finch (6), Khawaja (13), Maxwell (0) and Stoinis (19) back at the pavilion. West Indian fast bowlers Sheldon Cottrell (two for 56), Oshane Thomas (two for 63) and Andre Russell (two for 41) impressed by striking in intervals.

**Australia fight-back**

A fighting and responsible knock by Smith (72, 103b, 7x4) and an extraordinary innings by all-rounder Nile 92 (60b, 8x4, 4x6) took the match away from West Indies. These two batsman added 102-vital runs for the seventh wicket. Wicket-keeper batsman Alex Carey 45 (55b, 7x4) batted well and was involved in a vital 68-run partnership for sixth wicket with Smith.

Dropped catches added to the woes of the West Indian team as Nile was dropped when he was around 60 and he ended up getting another 30-odd runs. Australia's tail wagged and they ended up scoring 288 in 49 overs. Carlos Brathwaite (three for 67) was the most successful bowler for West Indies.

There was something in the game, with some gritty and lusty hitting by the West Indian batsman. Their batsman after being settled played some irresponsible strokes and threw away their wickets which enabled Australia to bounce back into the game.

Chris Gayle (21), Shai Hope (68, 105b, 7x4), Nicolas Pooran 40 (36b, 3x4, 1x6), Shimron Hetmyer (21) and skipper Jason Holder (51, 57b, 7x4, 1x6) batted well but could not convert the same into a win and fell short of the target by 15-runs. West Indies were restricted to 273 for 9 in 50 overs. Mitchell Starc was the pick of the Australian bowlers and he claimed five for 46, while he was well supported by Pat Cummins who took two for 41. **Nile was chosen as the Player of the Match.**

# Specially-abled arm wrestlers, who believe in their abilities to excel

Mysuru, June 7 (YDS&KS) - Athletes with Physical Disabilities (AWPD) are a problematised group. Their accomplishments are questioned and devalued as less valid or challenging than those of able-privileged athletes. They are not party to the often problematic veneration of athletes in today's society, nor are they permitted to participate in generalised sporting events. This apart, being born with disability would not bring much pain, but losing one's limbs in an accident at a young age, will shatter the dreams pushing the person into depression.

But **Pavan,** son of auto driver Balakrishna and Gowri couple of Kumbarakoppal despite losing both his legs in an accident, did not lose hope and went on to train in arm-wrestling and would be taking part in the National-level Arm-wrestling Championship to be held at Chhattisgarh on June 19.

Pavan, while studying in 8th standard at JSS School at Vijayanagar, was walking on the railway track near Metagalli with his earphones on to go to Balamuri for a swim when a train coming from Arasikere side hit him and ran over his legs resulting in Pavan's legs getting severed.

After availing treatment and getting discharged from the

hospital, Pavan, who was depressed stayed at home for a few years during which he developed his self confidence, Pavan, who wanted to achieve something has begun his training in arm-wrestling under Nitesh of Siddarthanagar. Pavan has turned his disability into special ability by Arm wrestling.

At present, Pavan is employed at L&T in Hebbal and has been provided artificial limbs by Mysuru District Specially-Abled Federation.

**Geetha selected for arm-wrestling championship:** Another specially-abled arm wrestler Geetha, has been selected to participate in the National-level Arm Wrestling Championship at Chhattisgarh.

A resident of Kalyangiri in city, Geetha has come out of all odds

and has been working at the office of Karnataka State Licenced Electric Contractors Association at Nazarbad since seven years.

Vice-President of the Women wing of Specially-abled Associations Federation, Geetha is undergoing training in Arm-Wrestling, Volley Ball and Javelin Throw under R. Manjunath, Organising Secretary of State Specially-Abled Federation.

Geetha had taken part in the National-level Sitting Volley Ball Tournament held at Coimbatore from Dec. 22 to 28, last year and the team bagged the second place. Geetha also took part in the arm-wrestling tournament, organised by Karnataka Arm-Wrestling Association at Karkala on Feb. 3 this year and bagged the first place for Mysuru District.

# *Ramzan* shopping keeps streets alive at night

Mysuru, June 7 (YDS&BCT)- In a city with no shopping destinations open through the night, *Ramzan's* special bazaars pull crowds and shoppers in hordes. Though there are no malls, no nightclub, and no fine dining that are open all through the night on other regular days, on the special occasion of *Ramzan*, some streets were open late into the night.

Shops in Mandi Mohalla, Meena Bazaar and Devaraja Urs Road were open two days before the grand finale of the holy *Ramzan* month and people were seen setting out of their homes after 11 pm to shop or grab a bite at smoky street corners where piping hot snacks and other lip-smacking non-vegetarian dishes were up for grabs.

Shoppers crowded before outlets at Meena Bazaar and Devaraja Urs Road to purchase their favourites including Semia, Dates of different varieties, dry and fresh fruits. Some people indulged in last-minute shopping for the big day (June 5) and even the shopkeepers obliged and were in no hurry to close their shops. From new clothes and footwear to bangles, mehndi, 'attar' (natural perfumes), crockery, household items and vermicelli and dry fruits, they buy everything.

With well-to-do families paying 'Zakat' (Islamic wealth tax of 2.5 percent on their cash and other valuables) and almost every family paying 'Fitra', the poor also join the festivities by buying clothes and other items.

On Devaraja Urs Road, however, the Police asked shops to down the shutters after midnight. According to Devaraja Inspector Srinivas, they found a few shops that were open beyond midnight on Urs Road and they were asked to close.

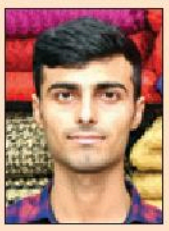
Shops in Mandi Mohalla were allowed to operate beyond midnight, said Mandi Inspector Arun Kumar. He said that as every year, this year too shops had sought permission to operate beyond midnight as it is *Ramzan* time. The Police relaxed the rules here much to the joy of shoppers and food lovers.

Meanwhile, on the eve of *Ramadan*, Forum Centre City Mall was open from 10 am to 12 am from May 31 to June 4. Called *Ramadan Midnight Souk*, the Mall offered shoppers time till midnight to shop and gave away rewards too.

## REACTIONS

Speaking to *Star of Mysore*, **Abu Salim,** proprietor of 'Fashion Choice' on Devaraja Urs Road said that only some shops were open late into the night. "On Tuesday night, almost 90 percent of the shops were closed. Though we were open till midnight, business remained lacklustre when compared to the business we made last year," he said.

"Ours is a new shop when compared to others. We had a good business of dates, dry fruits and other eatables. People came in large numbers in the night to purchase goods from us," **Santhosh** of 'Neva Fruit Shop' on Devaraja Urs Road said.



**Shahid Khan** of 'Just K Fashion' at Meena Bazaar said that his shop was open beyond midnight two days before *Ramzan* and business was good. "More than Muslims, other community members purchased a lot of cloth materials especially gowns and Ghagra materials. We made a business of Rs. 60,000," he said.

## WORD OF THE DAY

### Valetudinarian

**Pronunciation:** Val-uh-too-duh-NAIR-ee-un.

**Meaning:** Oddly enough, valetudinarian, a word for someone who is or believes himself or herself to be chronically sick or excessively worried about the state of his or her health; hypochondriac, comes from valēre, a Latin word that means "to have strength" or "to be well." Most of the English offspring of valēre imply having some kind of strength or force — consider, for instance, valiant, prevail, valor, and value. But the Latin valēre also gave rise to valētūdō. In Latin, valētūdō refers to one's state of health (whether good or bad), but by the time that root had given rise to valetudinarian in the late 17th century, English-speaking pessimists had given it a decidedly sickly spin.

**Example:** Whenever the valetudinarian got even the tiniest headache, he assumed he had a bleed on the brain and was about to die.

## THE ODD WORD

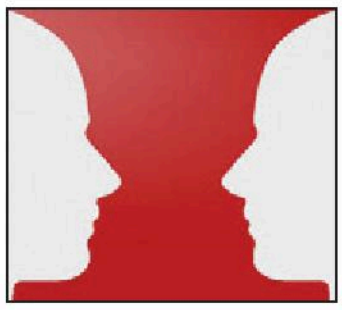
**Verisimilitude**

The appearance of being true or real.

## PHRASE OF THE DAY

### Vis-à-vis

**Meaning:** You use vis-à-vis when you are considering a relationship or comparison between two things or quantities.



**Origin:** Vis-à-vis comes from Latin by way of French, where it means literally "face-to-face." In English it was first used to refer to a little horse-drawn carriage in which two people sat opposite each other. From there it acquired various other meanings, such as "dancing partner." Today it no longer refers to actual physical faces and bodies, but its modern meaning comes from the fact that things that are face-to-face can easily be compared or contrasted. So, for example, a greyhound is very tall vis-à-vis a Scottie, and one currency may be stronger vis-à-vis another.
